INFORMED CONSENT

Contact lenses

Massage Therapy is a holistic approach to maintaining a healty lifestyle. I understand and am informed that as in all health care, there are some risks to the treatment including but not limited to muscle tenderness headaches and possibly an increase in presenting symptoms. I expect the therapist will exercise judgment during the course of treatment and which the therapist feels at the time are based on facts then known.

I	hereby	request	and	consent	to	treatment:
